

# CONSTANCE CELLAR

The cellar book you are about to flick offers more than 900 references and some 12,000 bottles from 10 different countries.

The love of good wine is part of the DNA of Constance Hotels & Resorts, and we are proud to share with you this passion ... devouring!

**Jerome Faure**, the Chief Sommelier of the famous group, developed for over ten years an extraordinary network of winemakers, sommeliers and traders, with one goal in mind: to offer the best and fullest possible selection in the Seychelles.

Browsing vineyards and wine fairs around the world, **Jerome Faure** carries the bulk of purchases directly with producers and is responsible for delivering the wine to Praslin refrigerated container.

Be guided by our Head Sommelier **Cyril** and his team **Julien, Mathilda, Nishantan, Ashvin & Nikole** who will direct you to the best choices according to your mood and expectations.  
Good tasting!

Some practical information:

Our red wines are served cooler than in Europe, in order to offset the effects of the outside temperature.

The wine prices are certainly higher than in Europe, and may possibly surprise you, even if we practice similar ratios to the rest of the industry. Rates include indeed many government taxes and significant logistics costs.

**Let us help you to find your way into this vinous book...**

## ...Wine by the Glass...

### Champagne (15 cl)

**Delamotte, Brut N/V**

**300**

Providing a perfect balance between finesse and power, it draws out flavours of dark chocolate, cinnamon and roasted yellow figs, expressing its subtle and melt-in-the-mouth vinosity.

### White Wine (15 cl)

#### Hungary

**Tokaji, Furmint Selection, Hétszóló 2011**

**170**

This dry white wine from the Tokaji wine region is produced 100% from the dominant grape varietal in the Tokaji wine region. Furmint's characteristics are clear, apricot and a hint of honey on the nose. The depth of fruit is balanced by its mineral backbone. Furmint is becoming one of the most demanded new exotic white grape varieties.

#### South Africa

**Trizanne Signature Wines, Reserve, Sauvignon Blanc-Semillon 2015**

**220**

Rich aromatics of lime, fresh pear, winter melon, hazelnuts and a touch of herbs. This intensity is continued on the palate with integrated flavours of fruit, spice and minerality ; it is luxurious yet finely detailed. The elegance of the savoury finish is noticeable as the flavour very slowly fades. A delicious, elegant wine that leaves the drinker refreshed.

#### New Zealand

**Millton, "ShotBerry" Crazy By Nature Chardonnay 2015**

**180**

Aromas of white peach and acacia flowers give a pleasing brightness and energy. A hint of oak adds a wave of texture. The alluvial soils are reflected in the wet-stone minerality of the finish. A glass of Gisborne Sunshine ! A versatile food wine, particularly suitable with seafood, cheeses and summer salads

#### Switzerland

**Valais, Petite Arvine, La Cave les Deux Crêtes, by Gérald Clavier 2010**

**220**

Petite Arvine wines are defined by their bracing acidity and grapefruit aromas, and often show a touch of salty minerality on the palate

### Rosé Wine (15 cl)

#### France

**Côtes de Provence, Château Minuty "Prestige" 2016**

**250**

Delicate floral aromas, with hints of minerality are prominent on the nose. The palate is soft, fresh and supple, finishing with a balanced acidity. Traditionally the wine is served chilled on its own, but also marries well with salmon and fresh dishes.

## ...Wine by the Glass...

### RedWine (15 cl)

#### France

**Irancy, Domaine Bouchard 2014** **150**

Young garnet dress, nose of cherries, jammy plums, earthy bottom undergrowth. In the mouth, a marked vivacity supported by a tender material, by the freshness and a greedy acidity fruit

**Terrasse du Larzac, Pas de l'Escalette « Le Grand Pas » 2013** **220**

According to Julien Zernott, this cuvée symbolizes their adventure in Languedoc. And this "Grand Pas", they jumped it and brilliantly. This cuvée offers with delight a creamy, fresh and elegant sap which is profiled in the mouth on a ribbon of velvet and finesse. A great step towards the ultimate pleasure.

#### South Africa

**Stellenbosch, Lavenir "Pinotage" 2015** **160**

A luscious and lively nose of dark mulberries, juicy blueberries and hints of sweet vanilla, toffee and flower garden. A medium to full bodied and fruit-driven palate with soft and velvety tannins that deliver a long luxurious finish

### Dessert Wine (8 cl)

#### South Africa

**Tokaji Aszű, 5 Puttonyos, Hétszóló 2004** **250**

"Golden orange in colour, with delicate aromas of nougat and honeycomb. The palate has a fresh acidity with flavours of Seville marmalade and elegantly dried apricots. These fruity notes are married with sandalwood and allspice giving us an aromatic, but yet an elegant and endless finish."

#### France

**Maury, 'Vintage', Mas Amiel 1980** **290**

1980 was a great vintage for Mas Amiel. The wine has a surprising freshness and is beautifully balanced. An aged wine with a powerful nose and mature flavours. Great Pairing with CIGARS

## ...Jura...

*Vin Jaune (French for "yellow wine") is a special characteristic type of white wine Jura region in eastern France. It is similar to dry fino sherry and gets its character from being matured in a barrel under a film of yeast, known as the "voile", on the wine's surface. Vin Jaune shares many similarities with sherry, including some aromas, but unlike sherry, it is not fortified wine. The wine is made from the savagnin grape, with some of the most premium examples coming from the marl based vineyards in the Château-Chalon*

*Etienne Sauzet (1903-75) founded a domaine of approximately 12 hectares and established the Sauzet name as one of the top addresses in the village. The domaine was taken over by his son-in-law Gérard Boudot in 1974, but in 1991 the inheritance was split up between the three grandchildren, one of whom (Jean-Marc Boillot) chose to take out his share. The vineyards have been farmed organically since 2006 and after two years of experimentation all switched to biodynamic cultivation from 2010. The grapes are sorted to remove grey rot where necessary, then pressed without crushing and fermented without crushing and fermented in oak until racking into tank before the next harvest, for a further six months ageing on the fine lees. The premiers crus receive between 20 per cent (La Garenne) and 33 per cent (Combettes) new oak with 40 per cent for the Grand Crus.*

## ...Languedoc-Roussillon, Provence & South West...

*Until the late 80s, the wines of Languedoc-Roussillon & Provence were mostly rustic, roasted, with no interest. But wine production in this sun-drenched, crescent-shaped region hugging the Mediterranean from the Maritime Alps, passing through the Rhone delta to the Spanish border has undergone a sea change in recent years. Today the Languedoc-Roussillon & Provence offers riper & textured red & white wine.*

# ROMANÉE-CONTI

*' Domaine de la Romanée-Conti, often abbreviated to DRC, is an estate in Burgundy, France that produces white and red wine. It is widely considered among the world's greatest wine producers, and DRC bottles are among the world's most expensive. It takes its name from the domaine's most famous vineyard, Romanée-Conti.*

*Romanée-Conti has been called "one of the greatest wines of the world and the most perfect as well as the most expensive of Burgundy ... with a forceful bouquet of violet mixed with a scent of cherry, a lively and profound ruby robe, a suaveness of exceptional finesse. The wine has been highly regarded for centuries. In 1780, the Archbishop of Paris declared it "velvet and satin in bottles."*

## ...Provence & Languedoc-Roussillon...

*Until the late 80s, the wines of Languedoc-Roussillon & Provence were mostly rustic, roasted, with no interest. But wine production in this sun-drenched, crescent-shaped region hugging the Mediterranean from the Maritime Alps, passing through the Rhone delta to the Spanish border has undergone a sea change in recent years. Today the Languedoc-Roussillon & Provence offers riper & textured red & white wine.*

*Before the last 10 years South African Wines barely crested the bottom of the grocery store shelf. Most of the wine produced in the country went directly to be distilled into brandy. Today the story is changing. South African wines have emerged as both some of the best valued red and white wines and in the highest quality.*
