AT ATMOSPHERE KANIFUSHI MALDIVES

The Dive Centre at Atmosphere Kanifushi Maldives is managed & operated by Dive & Sail. Mr. Alfons Straub, with over 20 years of Dive Center management experience with various resorts in Maldives and with live-aboard, owns & operates the Dive Center at the resort. An international team of professional diving instructors with multi-lingual skills strive to offer you memorable diving experiences with a variety of dive courses, dive certification and further diver training.

The Dive Centre is fully equipped with a dive shop, a well-appointed reception, a customized workshop, two air-conditioned class rooms, spacious equipment storage, along with showers & bathrooms. Overlooking the Lagoon is an expansive terrace with lounge chairs, where you can relax after a dive and share your wonderful experiences with your dive buddies!

Live with us, our dream of creating dive centers that are made by "divers for divers" – where "fun" and "safety" are not just marketing tag lines, but a philosophy that is fully put into practice, consistently!
