

## from just around the corner

all products in this menu are home grown, home made or locally sourced. We respect the availability and seasonality and serve only the freshest and ripest products from the islands of Seychelles

### meet our fish consultant

local villager Jean-Luc delivers us with his daily catch, all line caught around Silhouette Island

### meet our fruit and vegetable experts

Morris and his team are supplying us with home-grown fruits and greens from the organic garden and go in search of the elusive escargot

## our Beverage

### rum arrange

All our Rum arrange is home made and kept minimum 3 month in the bottle before being served. The Flavours can vary throughout the season.

Our home made Rum arrange is the perfect souvenir to take home. Ask our Grann Kaz team members to learn more.

### tea

The Tea factory, established in 1962, is responsible for growing and manufacturing tea in the Seychelles. It is located in the Morne Seychellois National Park.

You can enjoy the Seychelles Tea experience at home. Ask our Grann Kaz team members to learn more.
